## Customer Feedback and Testimonials

“ Chloe is an incredibly personable and approachable person. Her willingness to communicate openly means I never hesitate to pick up the phone, knowing she'll be there to help. Chloe consistently goes above and beyond to ensure that all our requirements are met, often finding creative solutions to accommodate our needs.

Working with Chloe is a pleasure, as her easygoing and cooperative nature simplifies the process of organising events. This is especially valuable where attention to detail and flexibility are crucial.

In addition to Chloe's ongoing support, Uttoxeter Racecourse stands out as a top-tier venue due to its versatility. Whether planning a small business gathering or a large-scale Family Fun Day, the venue can be tailored to suit the specific needs of any event. ”

“ Staffordshire Training Hub have been working alongside Uttoxeter Racecourse for a number of years now, delivering our courses and conferences. Our main point of contact has been with Chloe, who always offers a proficient and efficient service.

Chloe is quick to deal with our queries, no matter the volume and content, and is polite and competent in response.

We feel we have built that essential rapport with Chloe, which is so important to us when understanding our business needs and nuances, and offering that personal touch, which she so often does.

On the day services are second to none, which ultimately lead to great experiences all round. ”

*Staffordshire Training Hub*

“ We'd just like to forward our thanks to the racecourse after the adoption Christmas party on Sunday afternoon – the racecourse staff were all really accommodating and lovely with the families attending as well as the staff from the adoption team.

The lady on duty who was back and forwards supporting us with lights and answering any question we had was particularly fab, nothing was too much trouble and she came to check on us a couple of times as well, so extra thanks to her for looking after us so well!

Thanks again, we hope to return next year. ”

*Together For Children  
Private Christmas Party - Dec 2025*

“ Uttoxeter are more than just a venue for us. The events team works closely with our Academy to ensure that our Y11 students have an enjoyable night and make last memories celebrating the end of their school years.

Their events team is both proactive and responsive, providing valuable advice and guidance that helps make the evening such a memorable night.

The personal service they have provided for us over the years has been outstanding and we value the relationship we have with Uttoxeter and come back year after year for our Y11 Prom ”

“ Thank you so much we had a great evening and please pass on our thanks to all of your lovely staff too!

Also a big thank you to you for your exceptional organisation and support throughout this booking - nothing has been too much trouble and you made everything go very smoothly so big big thanks! ”

*Shared Party Night - Dec 2025*

“ Thanks for hosting us at Uttoxeter. The venue was a great size, easily accessible for all and good clean amenities. We had no issues getting our signage up, your team installed them where we wanted them and even suggested better placement.

The Facebook post the Racecourse created drove a lot of our traffic in, which I can see has had many comments and shares, Thank you.

When customers arrived, you had clearly signposted the car park and then from there signposted directions to the room where we were so everyone was able to find us easily.

I do just want to take a moment to thank your onsite team, everyone was very helpful and checked in on us throughout each day. ”

“ As ever we had an amazing time, I'll add the feedback through the link, but as ever the venue and the support from the staff is second to none, they are so helpful, its why we keep coming back. ”

*Staffordshire County Council  
Private Christmas Party - Dec 2025*

“ I highly recommend the conference facility at Uttoxeter Racecourse based on our recent experience hosting a conference for the Uttoxeter Learning Trust on January 8th. The racecourse proved to be a brilliant local venue, offering the perfect environment for our event, which gathered nearly 300 delegates.

Throughout the conference, we were exceptionally well taken care of by the attentive and professional staff. The refreshments, including an amazing brunch, were a highlight, providing a delightful culinary experience for all attendees. The coordination of the entire event by Chloe Whiston was nothing short of brilliant, and the seamless execution of the day made the entire experience very slick.

The feedback from our school staff was overwhelmingly positive, with many expressing appreciation for the opportunity to step out of the school environment and gather as a multi-academy trust. Uttoxeter Racecourse proved to be a superb choice for our conference, and we look forward to the possibility of hosting future events at this exceptional facility. ”
